

# Great River School

## **Parent and Child Program 2010-2011, Thursday sessions**

Great River School Parent and Child program serves to **enliven, enrich, and support parents** in creating a home life which fosters the healthy and joyful growth of early childhood.

Parent and Child classes are delightful opportunities to spend with your child and other families in a Waldorf setting. The classes offer a first step into the world of Waldorf education for families, and life-long friendships have been known to develop.

You and your child will engage in play, singing, and movement activities; create simple craft; enjoy an organic snack and experience stories, songs and puppet shows you can do at home. Each session begins with gentle play as children and parents gather for our morning. Together, we will create an environment conducive to the healthy development of children and their families.

Program Facilitator for the Thursday Parent and Child sessions Kim Wilson is currently completing studies at Sophia's Hearth Training Centre specializing in Waldorf education for Parents and Children ages' birth to 3 years of age.
