

Great River School

Parent and Child Program 2010-2011 sessions

Great River School Parent and Child program serves to **enliven, enrich, and support parents** in creating a home life which fosters the healthy and joyful growth of early childhood.

It is an opportunity for parents and their young children (birth to 3 years) to engage in activities of creative play, song, verses, movement games, stories and puppet plays, painting, and snack. Activities are presented in a rhythmical way to ensure that children feel comfortable and secure. While the children play, parents are encouraged to engage in a purpose project. Working together parents have an opportunity to discuss topics that relate to parenting and education.

Program Facilitator Margo Bisson an experienced Early Childhood Waldorf teacher who is happy to share her wealth of knowledge with parents as well as to engage the children in lively play, joyful songs and delightful puppet storytelling.

The Program is offered one morning a week, either Monday or Tuesday from 9:00-11:30.
